

PUBLIC NOTICE
PANABIOS IMPLEMENTATION IN GHANA

The High Commission of the Republic of Ghana in New Delhi wishes to inform the general public that with effect from 21st April 2021, the Ministry of Health through the Ghana Health Service is implementing the digitization of Covid-19 test results for ease of verification prior to travel and upon arrival in Ghana.

2. In that regard, **travelers departing from Ghana** are obliged to secure authorised Covid-19 PCR test from approved testing laboratories in Ghana as indicated on the following website: (www.globalhaven.org)

3. **All travelers arriving in Ghana** are further required to use a tool made available through the UNDP-Supported Global Haven Partnership (www.globalhaven.org) for Covid-19 PCR test results certificate verification.

4. Consequently, travelers to Ghana are required to follow the underlisted steps to verify their Covid-19 PCR test results certificate:

- A. Go to the website (www.globalhaven.org),
 - B. Select Panabios from the bottom of the site,
 - C. Sign up to create an account for first time users,
 - D. Sign in with your account details,
 - E. Select check-in and follow four (4) steps to generate verification code,
 - F. Write down your verification code and present it at the check-in counter along with the hard copy of your Covid PCR test results.
5. Additional information is available on <https://www.ghanahealthservice.org/covid19/africacdc.org/trusted-travel>.
6. The High Commission will appreciate your cooperation in this matter.
